

# 23rd *Farriers*

CONFERENCE  
NOVEMBER 11-12, 2006

Cornell University

# Welcome!

**Please join us for the 23rd Farriers Conference at Cornell's College of Veterinary Medicine.**

**We've listened to your comments and will continue this year with all-day practical demonstrations on Saturday by many talented and informative farriers. In this casual format, attendees can watch demonstrations that are most interesting to them including new techniques in forging, training, and learning new exercises to keep your back in shape while shoeing. Sunday will be a full day of lectures by knowledgeable speakers including our special guests Dr. Meike van Heel and Bob Pethick.**

**Come enjoy the camaraderie of more than 100 fellow farriers while earning 16 hours of American Farriers Association continuing education credit.**

**We look forward to seeing you in November!**

# Events Schedule

All events will be held at Cornell's College of Veterinary Medicine.
